**Challenge the LANGUAGE
change the STEREOTYPE**

**Whatever;
whenever!**

Personal assistance
is about spontaneity,
freedom and control;
not institutionalisation
in our own homes

**ILA believes that language is important
and is a means to redefine the world we live in**

**Why care,
when
you
can PA?**

**Challenge the LANGUAGE
change the STEREOTYPE**

**I am
not at
risk!**

Disabled people
are no more at risk
than any other
member of society

**ILA believes that language is important
and is a means to redefine the world we live in**

**We
don't
care!**

**Challenge the LANGUAGE
change the STEREOTYPE**

**me centred
NOT
day centred**

As Disabled people
we must be in control
of our services and not
controlled by the services
that are available

**ILA believes that language is important
and is a means to redefine the world we live in**

**Vulnerable
Adult?!**

**Challenge the LANGUAGE
change the STEREOTYPE**

**I
am in
control**

Disabled people
can and must fully control
their own lifestyles
and services

**ILA believes that language is important
and is a means to redefine the world we live in**
